The Samaritan came to the well to get water and found Jesus there. He told her that he loved her and wanted to give her "living" water. He began to reveal her need to her and that He was the Son of God, the Messiah, the Savior. He could meet her spiritual need that exceeded her physical need. He came to give "living" water to everyone who thirsts. All you have to do is as simple as ABC.

Admitt-that you have sinned. "For all have sinned and fall short of the glory of God." Romans 3:23

Believe-"God so loved the world, that whosoever believes in him (Jesus), should not perish, but have eternal life." John 3:16 Invite Him to come into your heart and life-you will be born of the Spirit.

Confess-"If thou shalt confess with your mouth Jesus as Lord, and believe in your heart that God raised him from the dead, you will be saved"

Romans 10:9 Tell someone. Join a strong Bible believing church and seek to grow into a mature Christian. It was for you that Jesus was born and it was for you that he died.

You may call the church at _____
and ask for the pastor, _____.

Woman at the Well Hear & Do

1. **PEOPLE** (Bible Sack Puppets) **IN MY POCKETS**-puppets that tell the story. Have materials in your pockets for kids to make Bible people sack puppets. Then let them tell the story to parents or another class. <http://www.saltydiamonds.com/StationJesusSalvation.html>
2. **Woman at the Well free water**-Cover a cooler with paper or plastic to make it look like a well. Make some “Woman at the Well” water bottle labels to go on some small bottles of water (laminated, if putting in ice). Let children hand out the bottles and say “God loves you” at a meal or on parent’s night. Hand out “Woman at the Well” tracts with the water. TRACT-Fold page backwards with picture and printing visible, then fold inside pages together in card like manner.
